

QUADRA-FIRE®

NOTHING BURNS LIKE A QUAD

Explorer II & III

Feature packed slow combustion stove in a convenient design

Top Load (Explorer III)

- FEATURES:
- Automatic Combustion Control (ACC)
 - Patented four point burn technology
 - Cast iron over steel
 - Solid 6-8mm steel construction
 - Most comprehensive warranty on the market
 - Top load feature (Explorer III)

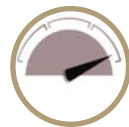

Achieve maximum heat and a clean burn with the Quadra-Fire Four Point Burn System. Eliminate the hassle, simply load the wood, light the fire and walk away. Featuring quick and easy cleaning with the Ash Removal System (ARS), and the top load feature (Explorer III) makes it easier to build and maintain your fire. The Explorer is the most durable in its category - enjoy the looks and performance of cast iron, with a solid steel welded firebox which is built to last.
